### Minutes From Last Meeting

- Revised minutes from the 8/30/2020 board meeting were approved by acclamation.

### Financial Report (Ed)

- Ed will send out an email confirming to our members that we have extended membership for 2020 for an indefinite period until we are certain we can resume dancing. At that point, we'll examine the options for membership dues.

### Insurance

- On 9/22/2020, Ed received a confirmation letter from Nancy Shelton. The consensus last month was that we would wait to pay until we knew when we were reopening (option #2). Oliver moved that we select the "48'n'8" option with a minimal roster, and Robin seconded. *Motion passed with all in favor, none opposed.*

## Club Nights

- For now, we will leave ECR social hour running every other week, starting at 7:00 PM, with 30 minutes of virtual dancing, followed by a “social hour” at 7:30 PM.
- Oaktown 8’s is doing virtual dancing for half of their club nights, which are every other week.
- Have ECR members been asked if they’d like to try online gaming/trivia (e.g. Jackbox games), or watching a movie together via Netflix, or zoom games like Kahoots or Codewords?
- Once Santa Clara County announces Tier 4 dates, we can consider if we want to try outdoor dancing.
- Once we have a date for club night resumption, Kurt can begin tentative scheduling of callers, with the understanding that these dates are subject to cancelling if the dancing hiatus is extended.
- We previously decided that whenever we resume dancing, the monthly Fun Nights held at St. Andrews (twice a quarter) will move to Tuesday nights.
- We are retaining the quarterly Friday Fun Nights at the Billy De Frank Center in San Jose. As of 9/26/2020, a reopening date for the Center has not yet been announced.
- When we resume dancing, we will create cards or printed pages showing what level of dance will be called next. Ed is looking into creating something delightful for this purpose.

## Appendix: Topics for Future Board meetings.

*The items on these pages have been placed on hold temporarily pending clearer direction on the COVID-19 emergency.*

### ECR Membership History Project

- We are ready to order anniversary bars whenever we resume dancing.
- Eric has sent a list of badges to Ed. There are between 50 and 60 badges for this initial order.
- Hanging bars cost \$3.50 each, and we're looking an initial order of 60 bars, so the cost will be \$210 plus shipping.
- Eric has proposed that we use the IAGSDC club retention program to propose they pay for the initial set of bars.
- We will hand out the hanging bars at the August dance, which is now our (belated) Anniversary dance.
- Craig expressed interest in a simple pin representing 5, 10, 15, 20, 25, 30 years of ECR membership, and said he would look into it, and present some design options to the Board, and perhaps consider a donation towards that project. Eric suggested this might be something that could be folded into our annual merchandise push with the cost being solely the club member's responsibility. Orders would be verified with the board.

### Fun Nights

- Andy Shore has politely withdrawn from calling our May Fun Night. Allan is in agreement with Andy, as even if the COVID-19 shelter-in-place is lifted on May 3<sup>rd</sup> (unlikely as of the date of this agenda), May 20<sup>th</sup> would still be too soon for folks to feel comfortable dancing. We will cancel the May Fun Night, and rescheduling Andy for a future date, which will still be half contra, half squares, with the intention of "converting" contra dancers into square dancers.
- Once we're dancing again, starting with the next event, Fun nights will be held on Tuesdays from 7:15 PM to 9:00 PM, with full level Plus dancing from 9:00 PM to 9:30 PM. We will advertise the night as starting at 7:00 PM to get people there on time to start dancing by 7:15 PM.
- Fun Night format clarification: Incorporating member suggestions, we will start the evening with a light and easy non-square mixer, and then mostly call squares with some light non-squares (but not couples dances such as swing or waltz). Squares should have as much variety as possible, to keep it interesting. This could include calls from higher levels or made-up calls or "heritage"/historical calls (such as Grand Colonel Spin or Rip & Snort). We want to minimize break length to keep people dancing as much as possible.
- **2020 Fun Night Schedule**

## 2019 Beginner Classes

- Violet Class: SSD-50 Level 1 Blast
  - *Due to the COVID-19 emergency, we are not yet prepared to set a date for the next class. Eric has sent out an email informing potential students that we are delaying the class for the moment.*
  - Eric has 3 or 4 people interested in a class.
  - Format will be 3 Saturdays, 2 weeks apart, with Wednesday night practice.
  - Eric will ask the students about Saturday vs Sunday.

## Alternate Dance Venues

- Robin has determined that the Murphy Park Community Center in Sunnyvale charges 60% of the door, with no janitorial charges. Robin will find out if they're available on Tuesdays.
- The Los Altos School District charges a flat hourly rate, no janitorial fee. Robin is investigating. Bows & Beaus uses Loyola School. There are 12 schools in the district.
- Eric has determined that Foothills Congregational Church in Los Altos will not work as a dance space for other than occasional weekend workshops.
- Oliver has found the Palo Alto Community Child Center, which is \$50/hour. However, this venue is only available until 8:00 PM. This would be great for workshops.
- Sue Kayton has suggested a couple of Menlo Park venues for club nights (e.g., Menlo-Atherton High School) and one in Redwood City/Woodside. (Allan will talk with Sue Kayton.) The Menlo-Atherton venue would not work for dances. Food must be placed on tables outside the room, and the room is very small, holding no more than max. 4 squares.
- Lucie Stern Center in Palo Alto. (Oliver will contact.)
- Dave Decot suggested that the City of Santa Clara is opening a new sports park including a multipurpose recreational facility. Dave will check on the new sports park and also regarding the arts center at Wilcox High School.
- Ladera Community Church off of Alpine Road (where Stanford Quads is currently meeting). (Allan noted that this location would be difficult to get to during weeknight commute hours.)
- First United Methodist Church of Palo Alto (where Palo Alto Contra currently dances). Allan will contact Mike Buchanan and/or other contra dancers to discuss renting space at the church for club nights.
- David Morandi will contact the PAJCC to ask about how much to rent the gym or one of the meeting rooms.
- David Morandi has contacted Andy Shore to ask who books the Palo Alto contra space at First Methodist Church in Palo Alto.
- Allan will check out the Murphy Park Community Center in Sunnyvale (where Lucky Steppers dances). There is a nonprofit rate and a resident rate.
  - Since the last board meeting, Alan Stevenson was kind enough to forward Allan information on the Mountain View Community Center, which, on paper (well, on website) looks like they have several rooms that would work well for us, as long as we qualify as a non-profit/community group under their guidelines, with hourly rates ranging from \$5 to \$50, depending upon the room:  
<https://www.mountainview.gov/depts/cs/rec/facilities/communitycenter/roomsandfees.asp>
- Craig Mahaffey suggested creating an exploratory committee to work with other square dance clubs to attempt to locate a venue (such as warehouses) that might be purchased and turned into a dedicated square dance center, such as Redwood Rainbows or the Wilde Bunch have.
  - Michael Levy, Joe Dehn, and Sue Kayton would be good people to approach for the committee.
- Craig also suggested two clubs sharing a space and a caller to reduce club costs. Sue Kayton mentioned this concept to Kurt. Clubs might have offset dance times during the same evening.

## Quarterly Workshops

- We want to hold more quarterly workshops. We'd pay \$200 or half the door. Topics we'd like to cover:
  - Gender Swap/APD workshop, for 4 hours.
    - Allan was to check with Rob to see how long he thinks a workshop should take, and if he's available for a date yet to be determined. If Rob's not available, Allan will ask the same question of Eric Henerlau.
    - We will push out the date for this workshop at this point.
  - Convention Brush-Up for Plus (thars, teacup chain, other rarely-used calls) This might also be handled via the 6 weeks of club nights prior to Convention, as long as we announce the topic of each club night in advance.
  - APD/DBD Plus. (Again.)
  - Square recovery techniques. (Keep the square dancing, and also know how to reset from lines or waves. Ideally, swap people around to get them into the right place before the end of the sequence.)
